

WEBCOIN CROWDSALE

TERMS & CONDITIONS

The following Terms and Conditions (“Terms”) govern the sale of Webcoin cryptographic tokens (“**Webcoin**”) to crowdsale participants (“Purchasers” collectively, and “Purchaser” individually).

It is not a solicitation for investment and does not pertain in any way to an offering of securities in any jurisdiction. Individuals, businesses, and other organizations should carefully weigh the risks, costs, and benefits of acquiring Webcoin early in the initial sale versus waiting to purchase Webcoin on open, third-party exchanges.

IMPORTANT

Ownership of **Webcoin** carries no rights express or implied. Purchases of **Webcoin** are non-refundable. Purchasers should have no expectation of influence over governance of the **Webhits.io** platform. By participating in the sale of Webcoin, you expressly acknowledge and represent that you have carefully reviewed the Terms and fully understand the risks, costs, and benefits of purchasing Webcoin and agree to be bound by these Terms. As set forth below, you further represent and warrant that, to the extent permitted by law, you are authorized to purchase **Webcoin** in your relevant jurisdiction, are of a legal age to be bound by these Terms, and will not hold liable for any losses or any special, incidental, or consequential damages arising out of, or in any way connected to the sale of **Webcoin**, now or in the future, **Webhits.io** owners, and the officers, directors, agents, joint ventures, employees and suppliers of **Webcoin** or its affiliates.

WARNING: DO NOT PURCHASE WEBCOIN IF YOU ARE NOT AN EXPERT IN DEALING WITH CRYPTOGRAPHIC TOKENS AND BLOCKCHAIN-BASED SOFTWARE SYSTEMS.

Purchases of **Webcoin** should be undertaken only by individuals, entities, or companies that have significant experience with, and understanding of, the usage and intricacies of cryptographic tokens, like Bitcoin (“BTC”), and blockchain based software systems. Purchasers should have functional understanding of storage and transmission mechanisms associated with other cryptographic tokens. While the **Webcoin** founders will be available to assist Purchasers of **Webcoin** during and after the sale, the Webcoin and **Webhits.io** owners will not be responsible for lost BTC or Webcoin resulting from actions taken by, or omitted by Purchasers. Note, in particular, that **Webcoin** Purchasers should take great care to write down their wallet password and not lose it so as to be sure that they will be able to access their **Webcoin** when it becomes available after the initial sale. If you do not have such experience or expertise, then you should not purchase **Webcoin** or participate in the pre-sale of **Webcoin**.

WARNING: CRYPTOGRAPHIC TOKENS MAY EXPERIENCE EXTREME PRICE VOLATILITY.

Webcoin tokens do not represent any formal or legally binding investment.

Cryptographic tokens that possess value in public markets, such as BTC, have demonstrated extreme fluctuations in price over short periods of time on a regular basis.

A Purchaser of **Webcoin** should be prepared to expect similar fluctuations, both down and up, in the price of Webcoin denominated in BTC or United States dollars (“USD”) or currencies of other jurisdictions. Such fluctuations are due to market forces and represent changes in the balance of supply and demand. **Webcoin** owners cannot and do not guarantee market liquidity for **Webcoin** and therefore there may be periods of time in which **Webcoin** is difficult to buy. Additionally, due to different regulatory dictates in different jurisdictions and the inability of citizens of certain countries to open accounts at exchanges located anywhere in the world, the liquidity of **Webcoin** may be markedly different in different countries and this would likely be reflected in significant price discrepancies. By purchasing Webcoin, you expressly acknowledge and represent that you fully understand that Webcoin may experience volatility in pricing and will not seek to hold any of the **Webcoin** and **Webhits.io** Parties liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected to, the sale of **Webcoin**.

WARNING: THE PURCHASE OF WEBCOIN ENTAILS A NUMBER OF RISKS

The purchase of Webcoin carries with it a number of risks.

Prior to purchasing **Webcoin**, you should carefully consider the risks listed below and, to the extent necessary, consult an appropriate lawyer, accountant, or tax professional. If any of the following risks are unacceptable to you, you should not purchase **Webcoin**.

By purchasing **Webcoin**, and to the extent permitted by law, you are agreeing not to hold any of the Webcoin or **Webhits.io** Parties liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected, to the sale of **Webcoin**, including losses associated with the risks set forth below.
