

GENERAL TERMS OF SERVICE

Everyone around the world can purchase Webcoin tokens. However, due to recent ICO and cryptocurrency government regulations in countries like the United States of America, Singapore, China and many others it is a responsibility of each potential purchaser who is a citizen of an ICO or cryptocurrency regulated country to determine if the purchaser can legally purchase Webcoin tokens in the purchaser's jurisdiction.

The creator of Webcoin tokens shall reserve the right to refuse selling Webcoin tokens to anyone who does not meet criteria necessary for their buying, as set out hereunder and by the applicable law. In particular, the creator of Webcoin tokens may refuse selling Webcoin tokens to citizens or permanent residents of countries where ICOs are banned or citizens/residents are not allowed to participate in ICO crowdsale and those users who do not meet eligibility criteria established by the creator of Webcoin tokens in its sole discretion.
